

The diagram shows a rectangular card template with rounded corners. It features a black border representing the trim line. Inside this, there is a blue border representing the safe margin. The area between the blue border and the black border is shaded red, indicating the bleed area. There are four white, pill-shaped cutouts: one at the top center, one at the bottom center, and one on each side (left and right) centered vertically. The text is centered within the template.

Template for Full Colour Solid Plastic Cards

Black line is trim line

This is the edge of the card once it has been cut

Blue line is safe margin

Important details/wording/logos should be beyond this line

Red area is bleed area

Your background needs to extend all the way into this area
